

# Visitor Accept Invite

The visitor can accept the admin's invite on the webpage, and the admin's invitation message will be displayed.

If the visitor wishes to chat with the admin, they can click on the "Start Chat" button to initiate the conversation.

The screenshot shows a website with the SYMITS logo in the top left corner. The navigation menu includes Home, Services, About, Portfolio, Blog, Contact, and Get A Quote. The main content area features a dark background with a pattern of icons and the word "Recruitment" in large white text. Below this, there is a breadcrumb trail: "HOMEPAGE → Recruitment". On the right side, a chat window is open, titled "Care Manager". The chat window has a blue header and a white body. The message "Hello! How can I help you?" is displayed in a grey bubble. Below the message is a text input field and a blue "Start Chat" button, which is highlighted with a red rectangular box. At the bottom of the chat window, it says "Powered By ENGYJ" and "By clicking 'Send', You Agree to the Privacy Policy".
